**NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

 **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please call 1-800-605-4327. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. | Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <a href="#">deductible</a> ?                                | <b>\$615/Individual or \$1,230/Family</b>  | If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .   |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive Care is covered before the deductible is met.  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <a href="#">deductibles</a> for specific services?              | No.  | You don't have to meet <a href="#">deductibles</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | <b>\$615/Individual or \$1,230/Family</b>  | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members on this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.  |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Premiums</a> , <a href="#">balance-billing charges</a> , and health care this <a href="#">plan</a> doesn't cover.        | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.ghcscw.com">www.ghcscw.com</a> or call 1-800-605-4327 for a list of <a href="#">network providers</a> . | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance-billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | Yes.   | This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .   |
