

Better Together HMO Platinum 500 Ded/1500 MOOP with Vision

The Summary of Benefits and Coverage (SBC) document will help you choose a health **plan**. The SBC shows you how you and the **plan** would share the cost for covered health care services.

**NOTE:** Information about the cost of this **plan** (called the **premium**) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please call 1-800-605-4327. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-800-605-4327 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<b>\$500/Individual</b> or <b>\$1,000/Family</b>	If you have other family members on the <b>plan</b> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventive Care, Certain Office Visits, and Pharmacy Drugs are covered before the deductible is met.	This <b>plan</b> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <b>plan</b> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	Yes. <b>\$0</b> for <u>prescription drug coverage</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <b>plan</b> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <b>plan</b> ?	<b>\$1,500/Individual</b> or <b>\$3,000/Family</b>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on this <b>plan</b> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing charges</u> , and health care this <b>plan</b> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="http://www.ghcscw.com">www.ghcscw.com</a> or call 1-800-605-4327 for a list of <u>network providers</u> .	This <b>plan</b> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <b>plan's network</b> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <b>plan</b> pays ( <u>balance-billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <b>plan</b> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .
